# Template pack for activity 5

Make your own drawings following these instructions.

Use these templates as inspiration or if you have a printer at home, you can print out these pages and fill them in.

A) Do you have a memory of a shop or an idea for a new shop? Cut out the template and draw it in.

B) What does community mean to you? How can you design a place that brings people together?

C) Is there a public space you'd like to see?

A public space is a free place or area that is open for anyone to use.

An example of public space is a park - it is an open area to sit and relax.

Can you think of a public space people can use  
Draw it here!

D) Do you have a building filled with memories in London Road? Or what building would you like to see in the future? draw it here!

A blank space for your future London Road!

Remember to send your buildings and spaces and a description of your drawing to [skye@turf-projects.com](mailto:skye@turf-projects.com) to join the online street!

Your building will end up as part of this street above!
