

**FUNGUS PRESS** is an evolving artist poster project established in 2014.

As concerns grow about the privatisation of public spaces, Fungus Press invites artists, designers & writers to respond to such spaces in Croydon across a series of poster artworks at Wandle Park, Park Hill Park and Reeves Corner. With a focus on text, the posters aim to discuss and celebrate the importance and potential of these spaces. They speak of Croydon's untold past and its yet to be written future; reasserting the essential role that green spaces play: from articulating our sense of place, to encouraging democratic engagement.

The artworks are often accompanied by an audio guide as well as events, texts and walking tours. Visit [turf-projects.com/projects/fungus-press](http://turf-projects.com/projects/fungus-press) to find them!

The Reeves Corner structure was designed by George Chinnery and Park Hill Park by artists & woodcarver Esme Toler.

### **Fungus Press Residency - MOSS (Makers Of Stuff Squad)**

**27 Nov - 28 Jan 2023**

This edition of Fungus Press presents work by MOSS (Makers of Stuff Squad), one of Turf's artist collectives. MOSS will be displaying a range of work they have created, both individually and collaboratively during their workshops run by Turf Projects, on the Fungus Press boards located around Croydon.

MOSS are a collective of learning disabled adult artists from in and around Croydon. Turf provide regular workshops for the artists on Friday afternoons to support their own artistic practices and work on collaborative projects.

★ **TURF PROJECTS - Gallery, Workspace & Studios, Whitgift Centre;** Founded in 2013 by young Croydon locals, Turf Projects is Croydon's homegrown artist space and the first entirely artist-run contemporary art space in the borough. A registered charity (#1160527), Turf aims to support artists & locals to create, via free public exhibitions, workshops and events, creative opportunities, a community project space and low-cost artist studios. We also host two artist collectives, Art Press (local 13-18 year old artists) and MOSS (local learning disabled artists). Since 2015 Turf has been based in two repurposed retail units which would otherwise have lain empty.

● **LITTLE TURF, Keeley Road;** Our original home which now houses production space for artists & makers.
