

# Your Town!

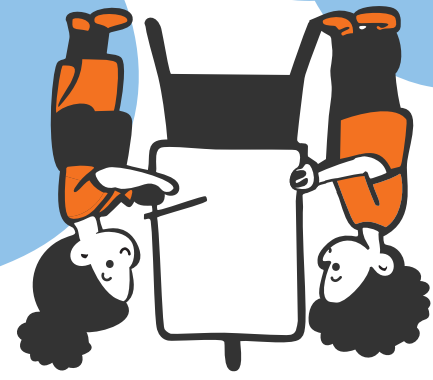

Free activity guide

Draw your Croydon town centre here

Enter to win!

We want to discover your town centre! Enter your activity guide into our competition and one lucky local will win a BIG art kit!

Ask an adult to help you share your activity guide with us by email at info@turf-projects.com, on Instagram @turfprojects, or drop your activity guide off at your local library. Don't forget to include your name, postcode and contact details.

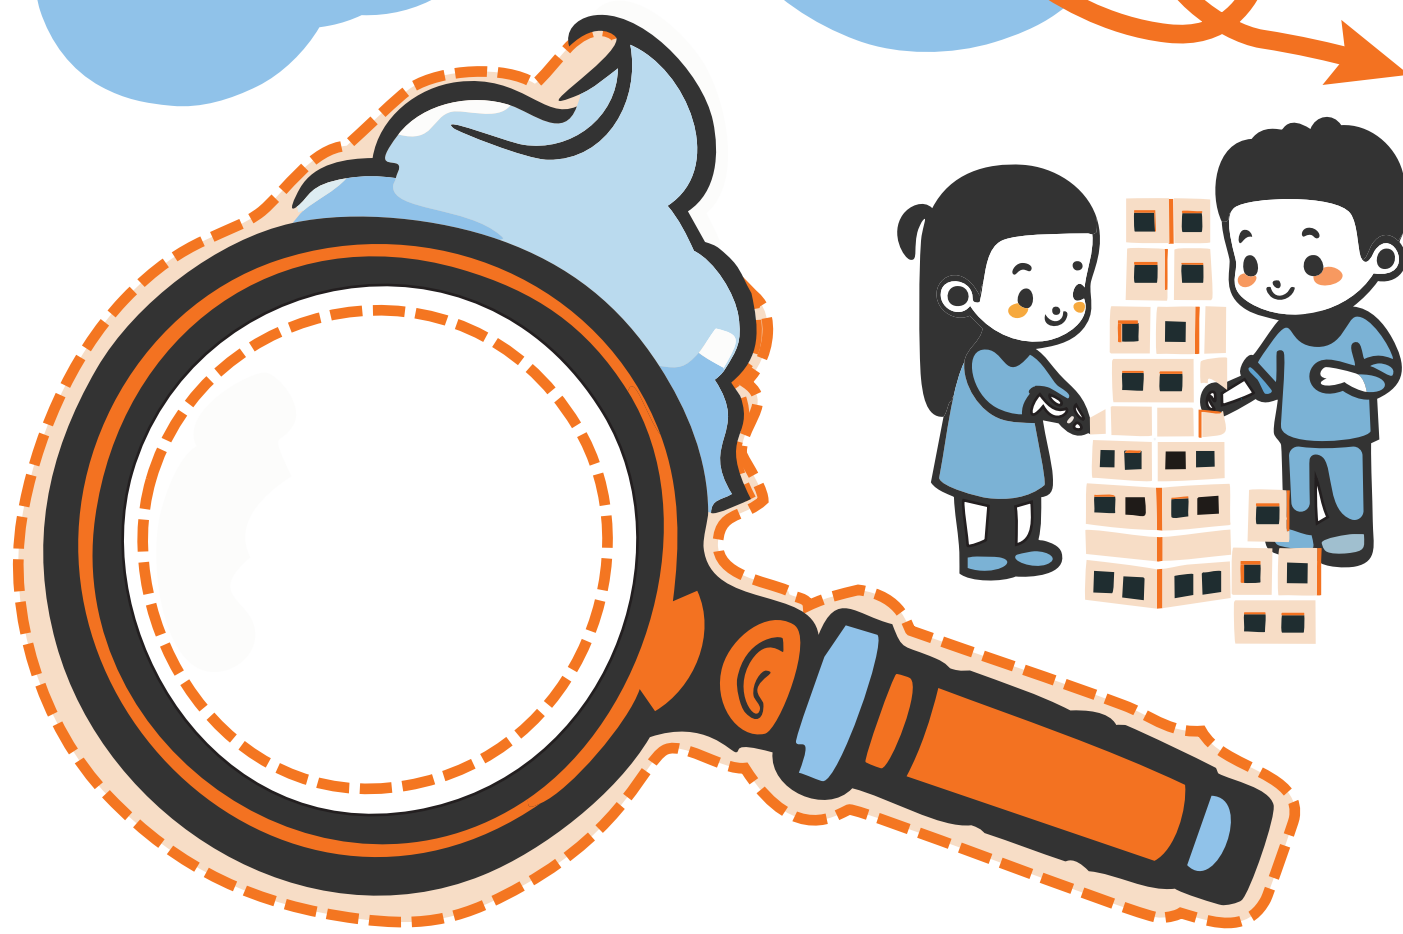

**About this activity guide...**  
The Croydon Town Centre Regeneration Strategy is a plan being made by Croydon Council to decide how the town centre of Croydon should evolve and change.  
Croydon Council is working with lots of people to make sure this plan includes everyone. They have asked We Made That and artists at Turf Projects (who made this activity guide) to help them.

Become an explorer and use this magic magnifying glass to discover the secret spaces in Croydon town centre!

1. With an adult's help, cut it out. Use it to take a look around the town centre. You could think about sounds and textures, or your memories of the town centre too.
2. Find places that you and your family like and don't like.
3. Take pictures of what you find, or draw them in the spaces here. Why do you and your family love some places, and other places you don't like so much?

I love this place because...

I don't like this place because...
