

**FUNGUS PRESS is an evolving artist poster project established in 2014.**

As concerns grow regarding the privatisation of public spaces across London, and elsewhere, Fungus Press invites artists, designers & writers to respond to Croydon's public spaces across a series of new billboard artworks at Wandle Park, Park Hill Park and Reeves Corner. With a focus on text, the posters aim to discuss and celebrate the importance and potential of Croydon's public spaces. They speak of Croydon's untold past and its yet to be written future; reasserting the essential role that green spaces play: from articulating our sense of place, to encouraging democratic engagement.

The artworks are often accompanied by events, texts, walking tours and an audio guide. Visit [turf-projects.com/projects/fungus-press](http://turf-projects.com/projects/fungus-press) to find them!

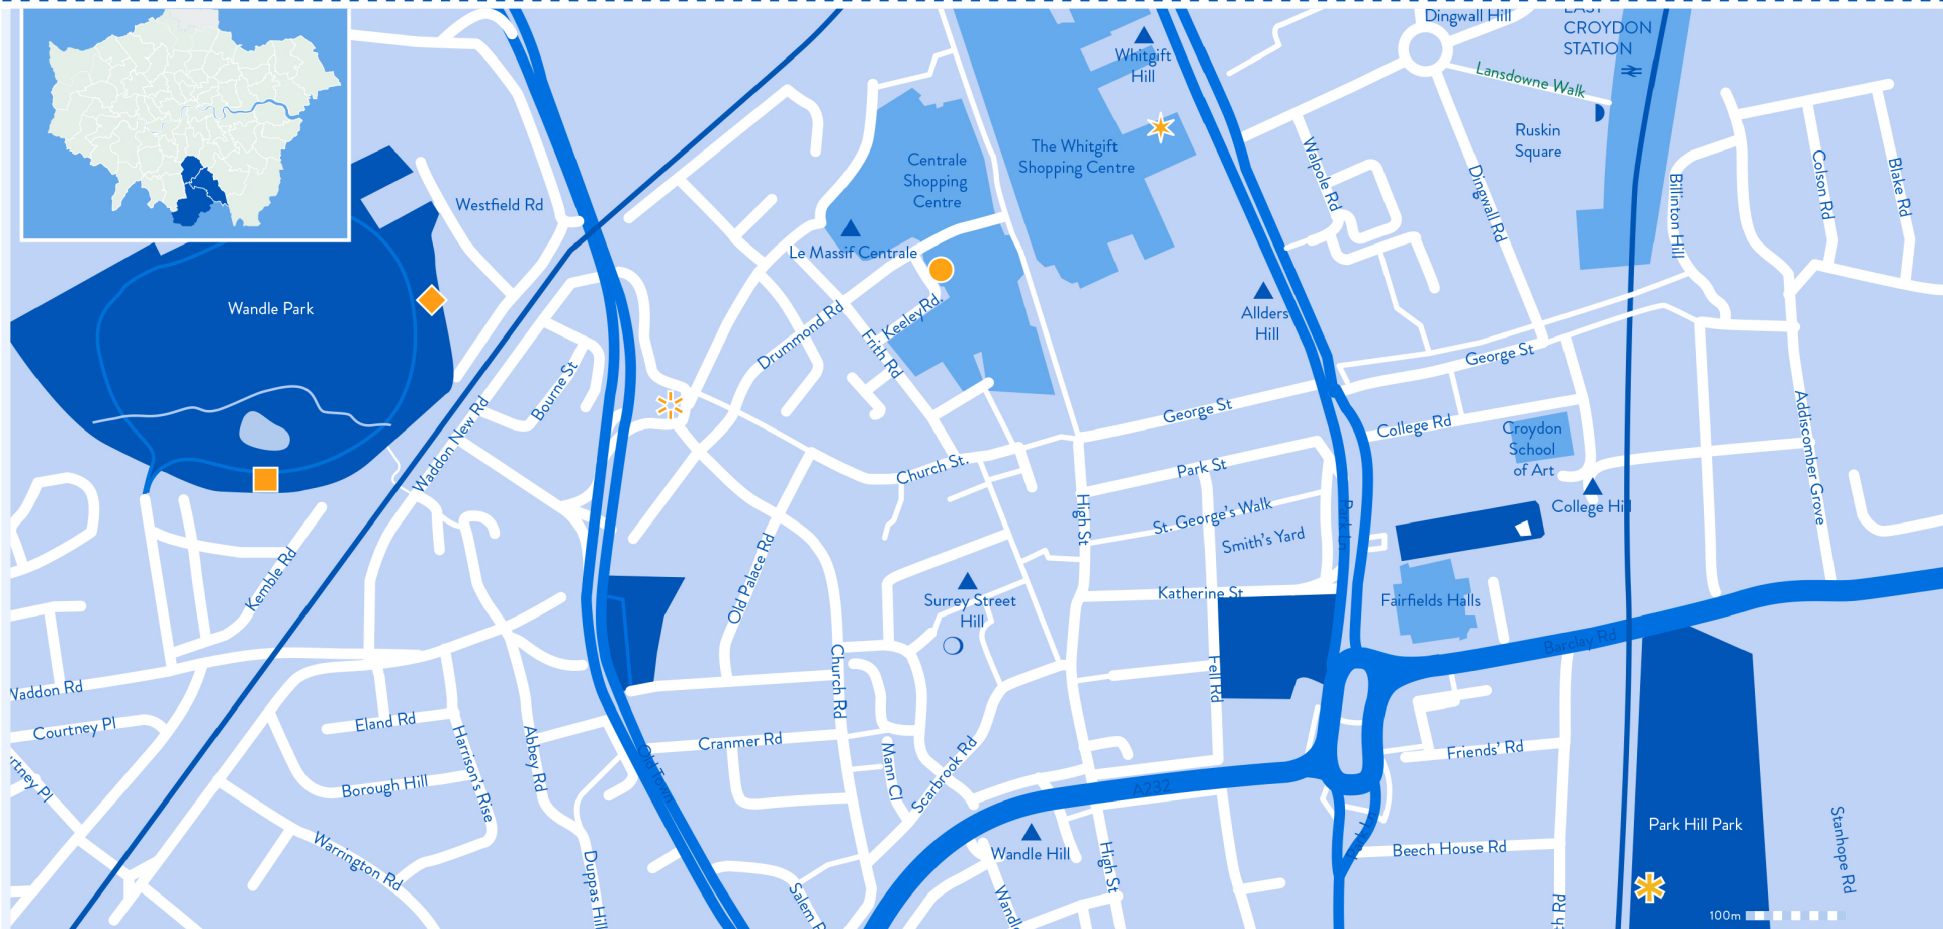

The Reeves Corner structure was designed by George Chinnery and Park Hill Park by artist & woodcarver Esme Toler.

**Fungus Press Residency: 'Reminders You're Not Alone' by Asha Fontenelle**  
**Sat 12 July - Sat 13 September**

These works are an exploration of feelings, as sensations that can sometimes be beyond words. Feelings that can bring hope, warmth, love and grounding as well as fear, overwhelm, despair and disdain. Through writing, printmaking, ceramics, painting and drawing, Asha works through these inner emotional states. Attempts to suppress, avoid and deny these feelings can cause a negative impact to mental health, so art making can be a means of working through them in acceptance.

Through making, Asha aims to connect to inner processes that are unconscious and automatic, conjuring ancestral knowledge from those who came before. The work reflects her lived experience with mental health, both personal and as a person who works in the field.

### ★ TURF PROJECTS - Gallery, Workspace & Studios, Whitgift Centre;

Founded in 2013 by young Croydon locals, Turf Projects is Croydon's homegrown artist space and the first entirely artist-run contemporary art space in the borough. A registered charity (#1160527), Turf aims to support artists & locals to create, via free public exhibitions, workshops and events, creative opportunities, a community project space and low-cost artist studios. We also host two artist collectives, Art Press (local 13-18 year old artists) and MOSS (local learning disabled artists). Since 2015 Turf has been based in two repurposed retail units which would otherwise have lain empty.
